

## **San Diego Ultra Running Friends (SURF) Text Message Notifications – Terms & Conditions**

Starting in 2023, the Board of Directors for San Diego Ultra Running Friends (SURF) will utilize a text messaging notification system to send messages to consenting Club members. These text messages will be occasional and only sent as necessary throughout the annual year. Messages will be primarily used to notify current members of Club happenings, including but not limited to upcoming Club events; deadlines; and/or Membership management inquiries.

All current Club members must first give consent to receive text messages from SURF within their personal membership account. A member may choose to opt-out of text messages from SURF at any time, and can update their personal preferences accordingly.

**Any questions should be sent to [sdultrarunning@gmail.com](mailto:sdultrarunning@gmail.com) - Cheers & Happy Running!**
